A beautifully traditional Algarve villa refurbished into a luxury home in Alamos, Guia. It features three bedrooms, one with an ensuite, a split-level lounge with a wood burner, and a mezzanine home office. The modern breakfast kitchen, underfloor heating throughout, and a garage add to its appeal. Smart home features like humidity control and top-tier WiFi ensure comfort and connectivity. Nestled on a 7000 m² plot with fruit trees, mature gardens, a pool, and a studio annex, it also has 56 solar panels, making it nearly self-sustaining. Ideally located near Guia, Albufeira, beaches, and golf.
